

Equal Employment Opportunity Comm.

§ 1630.1

(ii) *Benefits attributable to current employer and to prior employers.* Where the current employer maintains or contributes to a plan which is separate from plans maintained or contributed to by prior employers, the amount of the employee's benefit attributable to those prior employers can be readily determined. However, where the current employer maintains or contributes to the same plan as prior employers, the following rule shall apply. The benefit attributable to the current employer shall be the total benefit received by the employee, reduced by the benefit that the employee would have received from the plan if he or she had never worked for the current employer. For purposes of this calculation, it shall be assumed that all benefits have always been vested, even if benefits accrued as a result of service with a prior employer had not in fact been vested.

(4) *Rollover contributions.* Amounts attributable to rollover contributions must be excluded. For purposes of § 1627.17(e), a rollover contribution (as defined in sections 402(a)(5), 403(a)(4), 408(d)(3) and 409(b)(3)(C) of the Internal Revenue Code) shall be treated as an employee contribution. These amounts have already been excluded as a result of the computations set forth in § 1627.17(e)(2). Accordingly, no separate calculation is necessary to comply with this requirement.
